

# ESCAPE TO A FANTASY

The Dragon Hotel & Resort inhabits the heart of Amwaj Islands. A secluded getaway set along the waterfront, it provides breathtaking views of the majestic sea and dazzling infinity pools. Guests of The Dragon can indulge in modern accommodations with luxurious amenities and first class services that cater to every whim.

# THE DRAGON DESIGN

The Dragon was designed to resemble a sleeping dragon, with its long neck stretching across the water to form a conical dragon-like head, reminiscent of a majestic giant watching over the cerulean waters of the Arabian Gulf. Its distinctive dragon scales prevail over the land, marking the hotel's most unique and iconic architectural feature.

# DARE TO ENTER THE DRAGON?

Walk into The Dragon and enter a lair of contemporary splendor. Take in the modern artistic décor with a rich blend of unique materials and textures. Its eclectic style has a personalised touch that feels like home.

# ACCOMMODATIONS

The Dragon Hotel & Resort offers a range of waterfront accommodations including suites, chalets, and immense villas all lining the water.

The suites are spacious with views of the glimmering infinity pool set against the backdrop of the sea. Framed through a vast glass door, each suite has its own private terrace that overlooks the pool and sea.

# ACCOMMODATIONS

The deluxe chalets all have two spacious levels and consist of both three and four bedrooms. Over half of the chalets are located right on the seafront while the others offer exquisite sea views.

The three-level villas all have four bedrooms and feature their own private terrace, garden, Jacuzzi and swimming pool right on the sea. They include exclusive perks like ultramodern elevator lifts, two kitchenettes, multiple living areas and extensive storage space.

## LAVISH CONVENIENCES

Guests of The Dragon are guaranteed to appreciate the private pools and beaches, their own hardwood sundeck overlooking the sea with private Jacuzzis. Kiddy pools and play areas have been designed with the children in mind.

## LEISURE AT ITS FINEST

Being surrounded by water, The Dragon is the perfect place to relax along the beach, cool off in the refreshing infinity pools, or partake in a variety of water sport activities offered by the hotel such as jet skiing.

For a fabulous night out, The Dragon features two fine dining establishments and two fashionable waterfront lounges that attract stylish visitors from across Bahrain.

Indulge and unwind at the famous UK based spa & salon Toni & Guy, the most powerful hairdressing brand in the world.

## AMWAJ ISLANDS

Amwaj Islands is a 9.14 square meter man-made island development situated just off the northeastern tip of the island of Muharraq. Conveniently located, it is only a 10 minute drive from the Bahrain International Airport. It is a sophisticated seafront community with immaculate beaches and unmatched conveniences such as schools, hospitals, waterfront shopping and even a theme park.
